Eco Rep Job Outline

- Be responsible for raising awareness of sustainability issues within your Student Life unit; including, but not limited to: acceptable materials for recycling, energy efficiency, OSU Principles & Practices, and current events.

- Represent the Student Life “Green Office” initiative within your unit, providing guidance and subtle reminders to staff as needed.

- Raise awareness for one specific sustainability issue per quarter through an event for the entire unit.

- Set up and maintain an Eco-Bulletin Board in your specific Student Life unit.

- Conduct audits of the trash and recycling bins in your unit’s facility or facilities.

- Conduct informal and formal surveys about ecological issues within your unit.

- Be responsible for knowing the recycling and sustainability policies of The Ohio State University and The Office of Student Life.

- Attempt to make recycling available for all of your Student Life unit’s events.

- Attend a quarterly Student Life Sustainability Council meeting.

- Encourage walking to meetings and taking the stairs when appropriate.

- Lead by example.

Sustainability:

“To leave the planet better than you found it. To meet the current population’s needs without compromising the ability of future generations to meet their needs.”
